

"Trimlight is proud to bring you the best permanent lighting package on the market! We are so sure we have the best product that we back it with the best warranty on the market as well! Our Limited Lifetime Warranty means we will stand by your system for years to come!  
How do we do this? Trimlight runs a 12v system to provide maximum light and beauty while not overheating the LEDs."

**Unique features and year-round service crews put Trimlight way above the competition!**

Globe lights for patios, porches, and outdoor gatherings

Multi-color downlights for accent & security
